

Northumberland Badminton Association Workforce Academy

Overview

Northumberland Badminton Association have been working closely with Badminton England to develop a new 'Workforce Academy' which aims to bring committed coaches, officials and volunteers together to learn from each other and provide a more structured approach to coaching and volunteering across the county.

The Workforce Academy was developed as Northumberland Badminton Association would like to grow their coach and volunteer workforce and increase the number of badminton opportunities locally.

The Workforce Academy will provide support, training, mentoring and continuous professional development (CPD), in return for new coaches and volunteers delivering more badminton activity locally.

What will I get from the Workforce Academy?

- 🔥 An invitation to the Workforce Academy launch event, giving you the opportunity to learn more about the programme and meet like-minded coaches and volunteers
- 🔥 Free membership to the NBA Workforce Academy
- 🔥 Access to the NBA Workforce Academy forum, allowing you see upcoming opportunities and interact with other coaches/volunteers
- 🔥 Deployment opportunities – giving you opportunities to volunteer in your local badminton community
- 🔥 Mentoring sessions with an experienced coach or volunteer to develop your skills and give you experience
- 🔥 Access to free training and qualifications
- 🔥 A Workforce Academy t-shirt

What is required of me if I join the Workforce Academy?

- 🔥 Attend the Workforce Academy launch event
- 🔥 Engage with mentoring support available
- 🔥 Volunteer for a minimum of 10 hours over the first 6 month period
